MURDOKU
by Manuel Garand

-Basic Murdoku rules apply.
-This time, there's no murderer; find the coordinates of the Treasure to solve this case.
The Treasure is in the very last square.
-Sloops, Frigates and the Galleon all count as ships, and they count as their own areas.

can't be occupied

can be occupied

These two squares are in front of the door.

The Treasure is in...

ROW COLUMN
